REFLECTIONS ON THE EMOTION MAP

web site and download all the original drawings and overlapping issues of concern. Feel free to go to the project being constrained to a narrowly defined topic. When it is of goods. This map suggests a model for recording the building of an incinerator rather than asking wider trivial. Yet we live in a time when our opinions are valued communicating, but often we just want to talk to friends. Everyday we enter into discussions with people for different annoyance at the graffiti on a medieval wall.

broad patterns there are a number of individual high arousal Stockport Market area. In contrast, the Great Underbank overall pattern of the emotion pillars, it is possible to discern the river Mersey does not start in Stockport but rather at during their walks.

sensory stimuli that caused their emotional reactions positive and is best thought about in terms of heightened artist, that measured their emotional arousal in relation to themselves to describe the huge variety of events and position or where people mentioned them.

on the town and its history, river and landmarks. As a result, meet their friends, as well as who are the most important and such as what really annoys them about Stockport, where they...
